We reserve the right to cancel withdrawals either to enforce a closed loop or to force the Player to withdraw to a particular withdrawal method.

3.3.2. If we mistakenly credit your Member Account with winnings that do not belong to you, whether due to a technical, error in the pay-tables, or human error or otherwise, the amount will remain property of us and the amount will be deducted from your Member Account. If you have withdrawn funds that do not belong to you prior to us becoming aware of the error, the mistakenly paid amount will (without prejudice to other remedies and actions that may be available at law) constitute a debt owed by you to us. In the event of an incorrect crediting, you are obliged to notify us immediately by email.

3.3.3. The payment manager may conduct additional verification procedures for any cumulative withdrawals exceeding 2,000 EUR (or the equivalent in Your currency), and further reserves the right to conduct such procedures for lower payouts. - the list of documents specified in Section 3.2.4;
- any other documents that we consider necessary in order to complete our checks;

If You do not provide us with the requested information, or if the information provided is not satisfactory, We reserve the right to lock or restrict Your Member Account. This restriction will remain in place until You have furnished Us with the necessary information. In the event that We do not receive the required information, or if We are unable to verify your identity, We reserve the right to terminate these Terms, close Your Member Account, and return any Deposit funds present in Your account at the time the lock or restriction was applied. This also includes any funds deposited after the lock was instituted, subject to these Terms. However, We may be required to delay or withhold the payment to You of all or a portion of Your Deposit funds to comply with our legal and regulatory obligations, including but not limited to anti-money laundering and fraud prevention measures.

Account Holders wishing to recover funds held in a closed, locked, or excluded account are advised to contact Customer Support.

3.3.4. All transactions will be checked to prevent money laundering. The Company shall report any suspicious transaction to the relevant competent authorities. Enhanced due diligence may be conducted for withdrawals of funds not used for wagering.

3.3.5. Each Player must wager their deposit twice before account money can be withdrawn without fees. This means the Player must make bets totaling at least twice the deposit amount. If the Player requests a withdrawal before meeting the deposit wagering requirements, withdrawable money will incur a 10% fee.

3.3.6. Once a withdrawal is requested, it will remain pending for between 0-48 hours. Withdrawals are processed daily, including weekends and bank holidays. However, please be aware that depending on the payment method You are using, the funds may take a few days to arrive. Details regarding the timing for withdrawals in respect to the method utilized are available on the relevant pages of the Website, as may be amended from time to time.

3.3.7. For every request and/or complaint regarding any withdrawals and/or compensations, there is a limited period within which such a request and/or complaint must be sent to Us. The limitation period is 14 calendar days.

3.3.8. The withdrawal can be divided into parts/chunks. Chunk is the maximum amount per one transaction that the payment provider can process at once. The amount of one chunk can be changed by the provider. The provider may charge a fee for each chunk.

3.4. Inactive and Dormant Member Accounts

3.4.1. An Inactive Account is a Member Account that has not recorded any login or logout for a period exceeding twelve (12) consecutive months. If Your Member Account is deemed to be inactive, the Operator reserves the right to charge a monthly administrative fee of 5 EUR or the equivalent in another currency (or the current balance of Your Member Account, if less) as long as the balance of Your Member Account remains positive. You authorize the Operator to debit this fee from Your Member Account at the beginning of the month following the day on which Your Member Account is deemed inactive, and at the beginning of every subsequent month that Your Member Account remains inactive. The Operator will stop deducting the fee if the account balance reaches zero or if the account is reactivated.

3.5. Please be advised that Our products are consumed instantly when playing. Therefore, We cannot provide returns of goods, refunds, or cancellation of Your service when playing. If You play a game with real money, the money will be drawn from Your player account instantly.

7.4. If You are eligible for a bonus, such as a login bonus of 3 EUR or a deposit bonus of 100% up to a specified amount, wagering requirements must be met before You can make any cash-outs of the bonus. 7.7. Winnings from bonus spins are awarded as bonus money (the size of the wager can vary depending on the promotion and will be detailed in the promotion's description). It is important to note that when You wager winnings from bonus spins, You will first bet the money You deposited and then the money You won. Bonus spins are valid for a certain period, which will be specified in the promotion's description. Winnings from bonus spins must also be wagered by the specified date.

7.8. Unless otherwise stated, any Free Spins expire within 10 days if not played.

For example, to receive two sports betting bonuses, You must place bets on two different sports events. This rule also applies to bonuses that require placing two or more bets. Once a sports betting bonus is claimed for bets placed on a specific event, any subsequent sports bonus must be used for bets placed on different events.

7.19. Sports Bonus Money

7.19.1. A bonus constitutes an agreement between Mr.Bet and the bettor, wherein Mr.Bet provides funds, and the user agrees to wager a specific amount on sports betting before they are eligible to make a withdrawal.

7.20.3. The bonus can only be wagered by placing single bets at odds of 1.80 or higher.

7.20.4. The deposit bonus wagering requirements are subject to the terms and conditions of the selected bonus.

7.20.5. The wager is debited only after the bet has been settled, not at the time it is placed.

7.20.6. If the outcome of an event is calculated as a refund, the stake will be returned to the user's balance, and such a bet will not count towards the wagering requirements.
